

TFLC School Management System (TFLC-SMS)

User Manual

Overview

The TFLC School Management System (TFLC-SMS) is a web-based application developed to streamline school operations at Tigbauan Fundamental Learning Center. It provides dedicated portals for Administrators, Teachers, and Parents to manage school information, attendance, communication, and student records efficiently.

System Requirements

- Modern web browser (Google Chrome, Microsoft Edge, Firefox)
- Stable internet connection
- Valid user account

Logging In

1. Open the TFLC-SMS website.
2. Enter your username.
3. Enter your password.
4. Click ****Login****.

Administrator Guide

Dashboard

The Administrator dashboard provides an overview of:

- Total Students
- Total Teachers
- Attendance Summary
- Recent Activities

Student Management

Add Student

1. Navigate to ****Students****.
2. Click ****Add Student****.
3. Fill in the required information.
4. Click ****Save****.

Edit Student

1. Select a student.
2. Click ****Edit****.
3. Update the information.

4. Click ****Update****.

Delete Student

1. Select a student.
2. Click ****Delete****.
3. Confirm the action.

Teacher Management

The Administrator can:

- Add teachers
- Update teacher information
- Delete teacher accounts
- Reset teacher passwords

Attendance Monitoring

1. Open ****Attendance****.
2. Select the desired date, grade level, or section.
3. Review attendance records.

Inventory Management

The Administrator can:

- Add inventory items
- Update stock quantity
- Remove unavailable items
- Monitor inventory records

Reports

Generate reports for:

- Students
- Teachers
- Attendance
- Inventory

Account Settings

The Administrator can:

- Update profile information

- Change password
- Manage user accounts

Teacher Guide

Dashboard

The Teacher dashboard displays:

- Assigned classes
- Student list
- Attendance summary
- School announcements

Student List

Teachers can:

- View assigned students
- Search for students
- View student profiles

Attendance

Record Attendance

1. Open ****Attendance****.
2. Select the class.
3. Mark each student as:
 - Present
 - Absent
 - Late
4. Click ****Save Attendance****.

Edit Attendance

1. Select the attendance record.
2. Update the attendance status.
3. Save changes.

Messaging

Teachers can:

- Send messages to parents
- Receive messages
- View announcements

Profile

Teachers may:

- Update profile information
- Change password

Parent Guide

Dashboard

Parents can view:

- Student information
- Attendance summary
- School announcements
- Notifications

My Children

Parents can:

- View linked student profiles

- Check grade level and section
- View student details

Attendance

Parents can:

- View attendance records
- Monitor absences
- Review attendance history

Messaging

Parents can:

- Communicate with teachers
- Read announcements
- Receive notifications

Profile

Parents may:

- Update profile information

- Change password

Logging Out

1. Click the profile icon.
2. Select ****Logout****.
3. The system will return to the login page.

Troubleshooting

Issue	Solution
-----	-----
Unable to log in	Verify your username and password.
Forgot password	Contact the Administrator.
Attendance not loading	Refresh the page and check your internet connection.
Unable to access a module	Ensure you are logged in with the correct account.

Security Guidelines

- Keep your username and password confidential.
- Always log out after using the system.
- Use a secure internet connection.

- Report suspicious activity to the Administrator.

User Roles

Role	Responsibilities
Administrator	Manage students, teachers, inventory, reports, and system settings.
Teacher	Record attendance, manage assigned students, communicate with parents.
Parent	Monitor child attendance, receive announcements, and communicate with teachers.
